### Networking - How To Make A Therapy Business A Successful Business

I am very pleased and chuffed to announce that my article on tips for networking has been accepted and published in the Complementary Therapists Association Embody Autumn 2013 magazine which was released this week.

They highlighted the Top 10 Networking tips, The Academy and the sentence they have highlighted " Not everyone you meet is a prospective client but their contacts may be, you don't know who they know, so approach everyone"
